FORKLIFT OPERATOR REFRESHER

OVERVIEW

- ✓ Refresh and update your knowledge and skills to operate a forklift safely, efficiently, and in full compliance with regulations
- ✓ The Approved Code of Practice (ACOP) recommends refreshing your Forklift Operators Certificate every three years

DURATION

Half-Day Course

COST

\$230 (incl GST) Per Person

PREREQUISITES

- » Hold an existing Forklift Operators Certificate, and has not exceeded the refresher period of three years and three months.
(We will need a copy of your certificate)

- » For certificates that has expired more than three months ago, we recommend completing the full Forklift Operators Certificate course
- » Good English communication skills (to understand safety instructions)

UNIT STANDARDS

This is a non-unit standard course

ADDITIONAL INFORMATION

- » If you have not had a unit standard awarded, you will need to contact your previous provider to arrange registration of the unit standard
- » If you do not hold a unit standard and wish to do a refresher course, you can still do the refresher. You will be issued a forklift certificate of attendance, once you have successfully demonstrated the competencies required, (but not a new NZQA unit standard)
